

# Number Card Games

- Read the Number
  - pick a card at random and have your child read the number
- Match the Cards
  - have your child match the number cards with the dot cards
- Show Me...
  - use small items (cheerios, beans, pennies, etc.) to show the quantity
- Numerical Order
  - let your child put the cards in order from 0 to 10
- Missing Number
  - line up the cards in order, have your child close their eyes while you take away one of the cards, then have them figure out the missing number
- More/Fewer
  - have your child pick two cards, have them say which is more and fewer
